Marriage Preparation: Canon Law And Pastoral Considerations

Morning presentation by Fr. Patrick Lagges, Judicial Vicar for the Archdiocese of Chicago, on canon law and new recommendations for marriage preparation. There will be a practical emphasis on “doing the paperwork” (When do the papers have to be sent to the Pastoral Center? What happens when there are annulment prohibitions? How should sacramental records be registered, etc.) Following lunch, the afternoon will be spent in an interactive workshop. Participants are invited to bring issues and questions to the group. For example: What are possibilities for real marriage ministry in your parish? What are some models we can develop?

Canon Law And Pastoral Care In Cases Of Annulment

Morning presentation by Fr. Patrick Lagges on canon law and procedures for annulment applications. Joining the group in the afternoon will be Elsie Radtke, Associate Director of the Family Ministries Office for the Archdiocese. Ms. Radtke will lead the interactive part of the day with a discussion about how to create an annulment ministry in your parish or cluster/deanery.

**Cost: \$15 for two-part series, or \$10 per single session.
Lunch is included.**
