

Riches of the Lectionary: Engaging the Ministerial Imagination

Three opportunities for priests, deacons, pastoral associates, directors of religious education, RCIA catechists, liturgy coordinators, and other parish ministers...

To reflect on the Word of God as presented in Cycle C of the Lectionary...

To make connections to tradition, catechesis, and liturgical ministry...

To meet others from around the Archdiocese so that all of our ministries may be enriched...

To gain insight and planning ideas, personal growth, connections, and renewal...
